

DISCOVER OUR HERITAGE

CITIES OF ARTISTS AND WRITERS

10am: Guided tour of Honfleur

The tour takes you through narrow, winding streets to discover the amazing half-timbered church of Sainte-Catherine with its separate belltower. Your guide will also show you the impressive wooden vaulting of the Salt Barns. The tour leads you to the oldest quarters: l'Enclos (the site of the medieval walled town), the old harbour, the former residence of the King's Lieutenant, the fishermen's quarter around Sainte-Catherine. You cannot fail to be moved by the charm and authenticity of this small town.

12pm: Lunch at the restaurant in Honfleur

2.30pm: Guided tour of the Château du Breuil distillery

In a green setting in the heart of the Pays d'Auge, the Château du Breuil is one of the most beautiful examples of Normandy's architectural heritage, with its fine half-timbering and tiled roof. The Château is also one of Normandy's most prestigious calvados distilleries, founded in 1954. We offer you an exceptional experience, involving every one of your senses as you discover how calvados is made. Our guided tour invites you to look, touch, smell, listen... and finally taste. The tour will end with a unique short film entitled «The Angels' Share». (2)
