LABELING REMEM'BERNIÈRES:

**THANKS!**

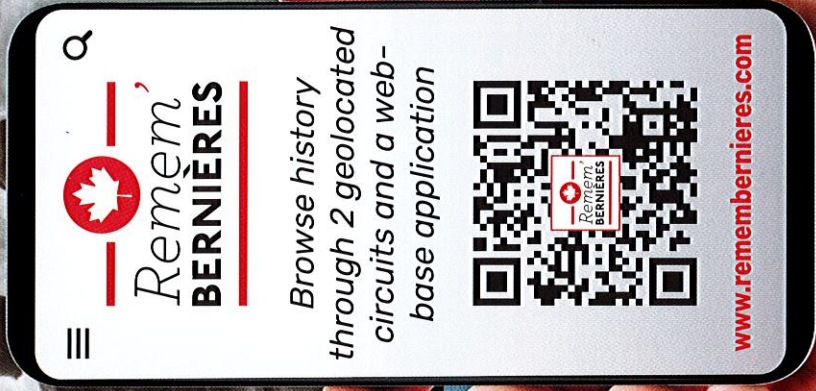

Through:  
 - period documents,  
 - testimonies of soldiers and civilians, recovered directly from witnesses of that time,  
 - the collaboration of "Bernières Optique Nouvelle" and the "Juno Beach Centre",  
 - civil and military associations of memory,  
 with which we were able to accurately trace the history of the D-Day landing and this period.  
 Thank so much to all of you!
